

THE MUNICIPALITY OF THE VILLAGE OF LIONS BAY

APPLICATION FOR PARKING OF EXTRAORDINARY VEHICLE

As defined in Traffic and Parking Bylaw No. 413, any vehicle over 6.1 metres in length, including any attached trailer, or with a licensed gross vehicle weight exceeding 5,000 kgs is an "extraordinary vehicle". It may not park with any part of it on municipal property. A resident unable to accommodate it on their own property should store it elsewhere in commercial premises. If lack of ready access to the vehicle would cause genuine hardship, e.g. if it is used primarily for work within the Village or is the resident's sole means of transport, a yearly application may be made to Council to park it on municipal property. Approval will depend on whether the Village has appropriate space to accommodate the vehicle, any emergency or road safety issues, and whether parking it in a neighborhood would create issues. You will be informed within 6 weeks of the date of application whether it has been approved. If so, approval is for a one-year period and monthly parking fees will apply.
